As discussed yesterday, I have received your letter stating that WTVM's claim will not be accepted.

Attached is a copy of the Postal Service Certified card stating that the claim was received by your office August 3. Attached also is a copy of the receipt for certified mail showing that the claim left here July 27 which is one week before you received it.

Instead of taking this claim to the Post Office, our mailroom sent it out with regular mail. The envelope you have should show postage of \$2.29. \$1.00 is for certification; \$1.00 for signature requested and .29 cents for postage. The date on the envelope is July 27. I realize a dishonorable person can insert whatever date he or she wishes but I have been at this station for many years and you have never had a problem with us.

Please reconsider and accept this claim and advise me as soon as possible.

My phone number is (706) 324-6471 and fax number is (706) 322-7527.
